To whom it may concern:

I am writing in response to a letter dated April 15th 2021 from you concerning my request for a tax transcript from 2009. I was originally sent a bill on November 2nd 2020 in the amount of \$8,445.68.

I have carefully reviewed the information provided to me in this letter, which indicates that I owe \$8,445.68. I do not have any recollection of owing the IRS, however a transcript would help to clarify this matter.

Please advise on resolution. I have included copies of everything I have received thus far.

Sincerely,
Joanne L Burr
