March 28th 2019,

I am writing to explore the possibility of employment with Target Corporations.

My proven track record in sales, ability to work effectively with a team to achieve sales goals and delivering high customer service have provided a strong foundation in management.

Capitalizing on my success at Enterprise Rent-A-Car, I am seeking a professional opportunity to leverage my exceptional sales record and proven account management skills to benefit your company. I have the drive and talent to quickly become a top performer within your organization.

With this goal in mind I have attached a resume outlining my key strengths and accomplishments.

Given my sales accomplishments and invaluable expertise, I would like an opportunity to discuss the value I can bring to your organization. I appreciate your consideration and look forward to meeting with you.
